PROFESSIONAL SUMMARY

Fourth-year BS Information Technology student specializing in Mobile and Web Application Development, with hands-on experience in web/mobile applications, UI/UX design, database integration, and team-based capstone development. Built HANAP independently and contributed to the POSEIDON fishpond monitoring capstone. Seeking an internship in web development, UI/UX design, or IT support.

TECHNICAL SKILLS

Languages & Web: JavaScript, PHP, Java, Dart, HTML, CSS, SQL

Frameworks & Mobile: React.js, Flutter

Databases & Backend: MySQL, Supabase; academic exposure to Firebase through POSEIDON

Tools & Design: Figma, Visual Studio Code, XAMPP, Git and GitHub (basic)

ACADEMIC & DEVELOPMENT PROJECTS

POSEIDON - Smart Pond With Dynamic Observation Network

Three-Member Capstone Project | Web Development, UI Design & Documentation Contributor

- Contributed to web development, user interface design, project documentation, and presentation of an IoT-enabled freshwater fishpond monitoring and management system.
- The team built a React/PHP admin portal, Flutter Android app, Firebase data synchronization, and an ESP32 sensor prototype for pH, dissolved oxygen, and temperature readings.
- The prototype featured five-minute water-quality monitoring, threshold alerts, historical reports, worker-to-pond assignments, and controlled partial water exchange.

HANAP - Web & Mobile Skilled-Worker Service Platform

Individual Project | Full-Stack Developer & UI Designer | Completed

- Developed a React.js web app and Flutter mobile app backed by Supabase to connect clients with local service providers.
- Implemented role-based accounts, worker listings, search/filtering, job requests and bookings, tracking, reviews, and admin management tools.
- Designed a job request workflow allowing available workers to accept or ignore requests, supported by database-backed status management.

EDUCATION

Bachelor of Science in Information Technology

Specialization: Mobile and Web Application Development | National University | Currently Enrolled
